

Magic and mentalism for planners and agencies

Corporate events | Luxury celebrations | Trade shows | Destination events

Sieko works with event planners, production teams and agencies to create close-up magic and mentalism around the audience, setting and objective of each event. The format is recommended only after the brief is understood.

WHY AGENCIES USE SIEKO

Clear communication, discreet delivery and more than 30 years of performance experience. Comfortable with international guests, senior decision makers, VIP hospitality and complex event schedules.

WHERE HE CAN CONTRIBUTE

Guest arrivals and networking, drinks receptions, gala dinners, private rooms, product launches, exhibition stands, private dinners and selected stage moments.

CUSTOMISATION

Branded effects, personalised presentations, custom playing cards and original material developed around a product, campaign theme or client message.
